Towson, Maryland — The Nanny Network has been recognized as a **Top Workplaces 2026** winner by WTOP News, honoring organizations that foster an exceptional workplace culture throughout the Greater Washington area.

The award is based entirely on employee feedback gathered through a confidential third-party survey administered by Energage LLC. The survey measures key aspects of workplace culture, including employee support, opportunities for growth, leadership, and overall engagement.

For more than 30 years, The Nanny Network has provided trusted childcare and household staffing solutions to families throughout the Baltimore, Washington, D.C., and New Orleans metropolitan areas. This recognition reflects the company's commitment to creating a supportive, collaborative, and mission-driven workplace for its employees.

"We are incredibly honored and grateful to receive this recognition," said Dulany Reeves Dent, President + CEO. "This award is a celebration of our amazing team and the culture we've built together. Every day, I have the privilege of working alongside people who care deeply about one another, the families we serve, and the difference we make in our communities. Knowing this recognition comes directly from our care professionals makes it especially rewarding, and I couldn't be more proud of what we've achieved together."

"In today's market, leaders must ensure they're allowing employees to have a voice and be heard. That's paramount. Top Workplaces do this, and it pays dividends," said Eric Rubino, CEO of Energage.
